

Bring your Recycling Program into Focus!

ErgoCan® recycling collection system will enhance your recycling program with eye catching graphic display panels. Enjoy the many benefits of this stylish recycling system which includes:

Unique Lid-Lock feature, conceals bag and eliminates bag “falling-in” problem for consistently NEAT & CLEAN appearance

Showroom quality graphic display panels. Excite your recycling program with customized graphic display panels. You supply the graphic art and we do the printing... at no extra charge!

Or... use our stock recycle panels (see other side of page) That simple!

Fit tight to a wall, under a counter or in a corner, the graphic display panels and coordinated lid labels clearly identify recyclables from any angle for classrooms, hallways, cafeterias, conferences rooms, arenas & stadiums Slim design makes an easy fit in the tightest locations 11”w x 19” L x 30” Tall

Perfect-Fit bags, utilize 98% of the bag. Helps to reduce consumption and save cost

ErgoCan® receptacles made of recycled plastic content

Connect securely as many receptacles together in a series as you need with our “Base Connector System”
